Favorites Vintage Linens

MOD 113 Gentle Kisses quilt 50" x 62"
and pillow 18" x 18"

Imagine wandering through a French antique market with the 3 Sisters. You stop by a table laden with stacks of vintage linens salvaged from old manors across the continent. As you rifle through the folded prints, you find delicate linen cloths printed with etched floral toiles, dainty vines, ornamental flourishes, charming ditsies, and playful polka dots – all in faded, tea-stained hues. Each one is a treasure in itself, but when you put them all together – you’ve curated the 3 Sisters Favorites Vintage Linens collection! Use these linen-inspired prints to make bags and home decor projects with an air of casual European elegance, or incorporate them into your quilts and pillows when you need sophisticated low volumes.
