Cozy Wonderland

STEPHANIE SLIWINSKI

Fancy That DESIGN HOUSE & Co

Wool sweaters, knit stockings, mugs of hot chocolate in mitten hands, snowflakes falling amongst the evergreen trees...does it get any cozier than this at Christmas time?

Cozy Wonderland is full of colorful pops (inspired by my collection of vintage ornaments) and of course, I couldn't forget the jolly guy himself!

The panel in the Cozy Wonderland contains six seasonal prints perfect for pillow projects, quilts, placemats, runners and more. So, think cozy as you get ready to create with Cozy Wonderland!
