Curated Cotton Medallion BOM

featuring the **CURATED COTTONS** Collection
Fabric and BOM Program by Sheryl Johnson

Temecula Quilt Co.
Established 2007

Sheryl Johnson's new BOM, **Curated Cotton Medallion**, was inspired by a vintage medallion quilt from the 1800s, highlighting one of her favorite color palettes.

Medallion quilts were a popular style at the time, a look that was brought to America from Europe. Traditionally, they feature a central motif surrounded by multiple borders. The **Curated Cotton Medallion** features a Trip Around the World at the center, surrounded by multiple borders of simple pieced blocks.

*"In creating the **CURATED COTTONS** collection, I am also taking inspiration from one of my favorite color combinations. I love how the reds, blues, and browns pop with a little pink and cream added in."*

Sheryl brings these colors together in some of her favorite small-scale prints. The addition of three different Strip-It™ pre-printed stripe designs (shown below) allows shops to participate in an economical program, while allowing quilters to stitch up a super scrappy look with ease, mastering various Strip-It cutting and piecing techniques in the process!

Join Sheryl in creating what will surely become a treasured family heirloom. This 8-month program begins January 2024.

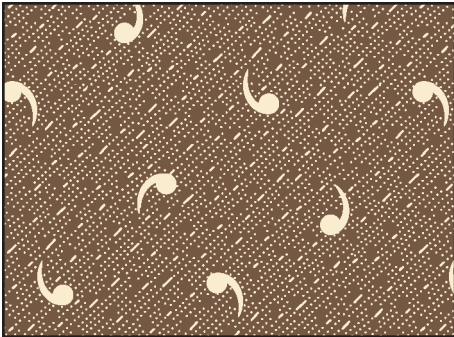

Marcus STRIP-IT™ fabrics feature 5" wide lengthwise stripes of coordinating prints, allowing for creative, unique and simplified pieced blocks
