Kindred spirits are not so scarce as I used to think, it's splendid to find out there are so many of them in the world.

- L.M. Montgomery in *Anne of Green Gables*

Settle into a field of soft, summery flowers with Kindred, the latest collection from 1canoe2. Scattered peonies and poppies mingle with tangles of daisies and sweet little strawberries, while painterly sprays and gentle geometrics add texture and interest – all in a warm palette of cloud, aqua, sunshine, meadow, blush, and coral – for modern, romantic quilts.
