We're adding to the V and Co. Ombré family, and this time we're taking it to the next level, making it out of this world... literally! Allow us to introduce our newest V and Co. Ombré collection \*Ombré Galaxy\*.

With this collection, the thirty V and Co. Ombré colors have a hand-dyed ombré look, and a metallic gold splatter. We're certain that Ombré Galaxy will look amazing displayed on the shelves in your shop and \*wow\* your customers in their quilts. Many fan favorite colors have been included to continue the V and Co. Ombré Rainbow look. Use them together as a whole, but keep your eyes out for new colors that have been introduced.

So are you ready to board the V and Co. Ombré journey and take any project above and beyond? Yeah, we thought so. Welcome aboard!
