

THE GREAT OUTDOORS

STACY IESTHSU

“Keep close to Nature’s heart... and break clear away, once in a while, and climb a mountain or spend a week in the woods. Wash your spirit clean.”

– John Muir

The Great Outdoors was inspired by the simplicity yet wonder of the outdoors. Retro colors and imagery with a dash of forest creature humor were used to create this collection. This collection celebrates camping, exploring and slowing down. To help enhance this theme, there are two panels: a bear backpack and campfire set. There are also two quilts that spotlight the forest bear and camping life.

Let The Great Outdoors help you experience nature at its best.
